Waterhog Fall Day Mats

Waterhog Fall Day Mats have an autumn leaf surface pattern, which enhances any entryway while cleaning and drying shoes and paws. These fall day waterhog mats have a high-low surface design to scrape away dust and dirt as well as wipe off moisture.

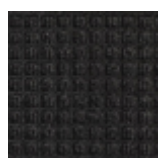

- A key feature of the Waterhog Fall Day Entry Mats is the durable, water-dam edging around the perimeter of the mat that holds up to 1.5 gallons of water/square yard, which helps to keep the surrounding floor dry & safe.
- The Waterhog Fall Day design works well both indoors and outside thanks to their rapid drying polypropylene surface, which is anti-static and stain-, fade- and mildew-resistant.
- Each Waterhog Fall Day Door Mat has a commercial-grade rubber backing to help prevent it from sliding on the floor as well as to keep the edges from curling up.
- Shake out or vacuum these Waterhog mats to remove day-to-day dirt and debris or hose off and hang dry the mats for a deeper clean.
- Waterhog Fall Day Mats are manufactured here in the USA and contain at least 20% recycled content.
